- 4.1 The relationship of the Supplier to the British Council will be that of independent contractor and nothing in this Agreement shall render the Supplier or any Relevant Person an employee, worker, agent or partner of the British Council and the Supplier shall not hold itself out as such.
- 4.2 This Agreement constitutes a contract for the provision of services and not a contract of employment and accordingly the Supplier shall be fully responsible for and shall indemnify the British Council for and in respect of payment of the following within the prescribed time limits:
- 4.2.1 any income tax, national insurance and social security contributions and any other employment related liability, deduction, contribution, assessment or claim in any applicable jurisdiction arising from or made in connection with either the performance of the Services, or any payment or benefit received by the Supplier (or, where applicable, any Relevant Person) in respect of the Services, where such recovery is not prohibited by law and the Supplier shall further indemnify the British Council against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by the British Council in connection with or in consequence of any such liability, deduction, contribution, assessment or claim other than where the latter arise out of the British Council's negligence or wilful default; and
- 4.2.2 any liability for any employment-related claim or any claim based on worker status (including reasonable costs and expenses) brought by the Supplier (or, where applicable, any Relevant Person) against the British Council arising out of or in connection with the provision of the Services, except where such claim is as a result of any act or omission of the British Council.
- 4.3 The British Council may at its option satisfy the indemnities set out in clause 4.2 above (in whole or in part) by way of deduction from any outstanding Charges or other payments due to the Supplier.
- 4.4 Where applicable, the Supplier:
- 4.4.1 acknowledges and agrees that it is intended that all employees of the Supplier (if any) shall remain employees of the Supplier and that termination of this Agreement (or any part of it) shall not operate to transfer the contracts of employment of any employees to the British Council or any third party; and
- 4.4.2 shall use all reasonable endeavours to ensure that no member of its staff is deployed in the delivery of the Services to such an extent that the Transfer of Undertakings (Protection of Employment) Regulations 2006 (or any applicable equivalent legislation in any relevant jurisdiction, including in the European Union the Acquired Rights Directive (Council Directive 77/187 as amended) and any national legislation enacting to such Directive) may operate to transfer the employment of such member of staff to the British Council or any successor service provider upon termination of this Agreement.

5 Price and Payment

- 5.1 Unless stated otherwise, the Charges are exclusive of value added tax (VAT) or any equivalent sales tax in any applicable jurisdiction, which, if properly chargeable, the British Council shall pay at the prevailing rate within 30 days following receipt from the Supplier of a valid and accurate tax invoice. In the event that the British Council is required by the laws or regulations of any applicable jurisdiction to deduct any withholding tax or similar taxes from the Charges, the British Council shall deduct and account for such taxes before paying the remainder of the Charges to the Supplier and shall notify the Supplier in writing of all such sums properly deducted.
- 5.2 Under current UK legislation it is the responsibility of a supplier to assess its VAT liability for the supply of services. Where UK VAT is applicable, the Supplier's invoice should show all the necessary entries thereon to make it a valid tax invoice for VAT purposes; and in particular it must show the amount of VAT charged separately. However, the British Council may be of the opinion that the Services being supplied under this Agreement may not be subject to UK VAT, due to the place of supply not being the UK, and the charging of UK VAT would therefore be inappropriate. The British Council reserves the right to dispute payment of the UK VAT charged by the Supplier until the issue has been resolved by a ruling in writing obtained from HM Revenue & Customs by the Supplier, and that ruling shown to the British Council.
- 5.3 The Supplier shall indemnify and keep indemnified the British Council from and against any liability, including any interest, penalties or costs incurred, which is levied, demanded or assessed on the British Council at any time in respect of the Supplier's failure to account for or to pay any VAT relating to payments made to the Supplier under this Agreement. Any amounts due under this clause 5.3 shall be paid in cleared funds by the Supplier to the British Council not less than seven calendar days before the date on which the tax or other liability is payable by the British Council. The British Council may grant the Supplier further time to pay where this is deemed appropriate by the British Council taking account of the relevant circumstances.
- 5.4 Unless stated otherwise, the Supplier shall invoice for the Charges monthly in arrears and all such invoices shall be accompanied by a statement setting out the Services and/or Goods supplied in the relevant month in sufficient detail to justify the Charges charged (including any timesheets or other information required by, and to be provided in the format set out in, the British Council Requirements).
- 5.5 Subject to clauses 5.6 to 5.8 below, the British Council shall, unless agreed otherwise by the parties in writing, pay each of the Supplier's valid and accurate invoices by automated transfer into the Supplier's nominated bank account no later than 30 days after the invoice is received.
- 5.6 Provided that it notifies the Supplier in writing in advance, and works in good faith to resolve any issues or disputes, the British Council shall be entitled to withhold payment of any sums in respect of any Services or Deliverables which have not been provided by the Supplier to the British Council's satisfaction and in accordance with the terms of this Agreement.

- 5.7 In the event that the British Council makes any overpayment in connection with this Agreement (or any other agreement between the parties), the British Council may, upon written notice to the Supplier, deduct the amount of such overpayment from any future invoice or require repayment of such sum within 30 days after the date on which it serves written notice on the Supplier.
- 5.8 Where there is an End Client, the British Council shall not be obliged to pay any invoice to the extent that it has not received payment relating to that invoice from the End Client.
- 5.9 If the British Council fails to pay any sum properly due and payable (other than any sum disputed in good faith) by the due date for payment, the Supplier may charge interest on the amount of any such late payment at the rate of 4% per annum above the official bank rate set from time to time by the Bank of England. Such interest will accrue from the date on which payment was due to the date on which payment is actually made. The parties hereby acknowledge and agree that this rate of interest is a substantial remedy for any late payment of any sum properly due and payable.

6 Quality and Performance

- 6.1 Any person authorised by the British Council and/or the End Client shall be entitled, subject to reasonable notice, to inspect work being undertaken in relation to the Services and the Goods at all reasonable times at the Supplier's premises or at the premises of any sub-contractor or agent of the Supplier.
- 6.2 The British Council reserves the right to reject any Goods and/or reject or require re-performance (at no additional cost to the British Council) of any Services which are defective or which are otherwise not in accordance with the requirements of this Agreement. Rejected Goods may be returned at the Supplier's risk and expense and the Supplier will refund any monies paid by the British Council in relation to such rejected Goods (or the British Council shall be entitled to deduct the amount of such monies from any future invoice payable by the British Council).
- 6.3 If at any time within 12 months following the date of provision of any Services or delivery of any Goods, any such Services or Goods (or any part thereof) are found to be defective or otherwise not in accordance with the requirements of this Agreement, the Supplier shall promptly on request and without charge, remedy the deficiency by re-performing the Services, or repairing, or supplying replacements for, the Goods.
- 6.4 Risk in Goods shall pass when the Goods are delivered as specified in this Agreement. Unless otherwise specified, the Supplier shall be responsible for all carriage, insurance and other costs incurred in delivering the Goods to the delivery location and, where requested, unloading Goods at that location.
- 6.5 Ownership of Goods shall pass to the British Council on delivery, payment or part payment, whichever is the first to occur.

7 Change Control

- 7.1 If either party wishes to change the scope or provision of the Services, it shall submit details of the requested change to the other in writing and such change shall only be implemented if agreed in accordance with the remainder of this clause.

- 7.2 If the British Council requests a change to the scope or provision of the Services:
- 7.2.1 the Supplier shall, within a reasonable time (and in any event not more than fourteen (14) calendar days after receipt of the British Council's request), provide a written estimate to the British Council of:
- (i) the likely time required to implement the change;
 - (ii) any reasonable variations to the Charges arising directly as a result of the proposed change; and
 - (iii) any other impact of the change on the terms of this Agreement.
- 7.2.2 if, following receipt of the Supplier's written estimate submitted in accordance with clause 7.2.1, the British Council does not wish to proceed, there shall be no change to this Agreement; and
- 7.2.3 if the British Council wishes the Supplier to proceed with the change, the Supplier shall do so after agreement on the necessary variations to the Charges, the Services and any other relevant terms of this Agreement to take account of the change following which this Agreement shall be varied by the parties setting out in writing, and signing, the agreed changes in accordance with clause 28.
- 7.3 If the Supplier requests a change to the scope or provision of the Services, it shall send such request to the British Council in writing, accompanied by a written statement of the matters referred to in clause 7.2.1, and the British Council shall withhold or give its consent to such change in its sole discretion. If the British Council wishes the Supplier to proceed with the change, the Supplier shall do so, following a variation of this Agreement in writing in accordance with clause 28.

8 Premises

- 8.1 Subject to clause 2.7.1, the Supplier shall be entitled to use such parts of the Premises as the British Council may from time to time designate as are necessary for the performance of the Services provided that use of the Premises is to be solely for the purposes of providing the Services and the Supplier shall neither have nor acquire any right to exclusive possession of part or all of the Premises nor any separate right to occupy or possess part or all of the Premises and nothing in this Agreement shall create a lease or other greater interest in any premises.
- 8.2 The British Council may refuse to admit to, or order the removal from, the Premises any member of the Supplier's Team or person otherwise acting on behalf of the Supplier who, in the opinion of the British Council, is not behaving in accordance with the requirements of this Agreement or whose behaviour, conduct or dress, whether at the time the person is seeking admittance to, or at any time the person is present on, the Premises or otherwise, renders that person unfit to be on the Premises or is inappropriate in the context of the country in which the Premises are located. Costs associated with any such refusal of admittance or removal and with the provision of a suitable replacement shall be met by the Supplier and the British Council shall not be required to pay the Charges in respect of

any period during which the Supplier is refused admittance to, or removed from, the Premises as a result of this clause.

9 The Equipment

- 9.1 The British Council Equipment shall remain the property of the British Council and shall be used by the Supplier in the performance of the Services and for no other purposes.
- 9.2 The British Council shall be responsible for the repair or replacement of the British Council Equipment unless the need for repair or replacement is caused by the Supplier's failure to comply with clause 9.3 or by the negligence or default of the Supplier.
- 9.3 The Supplier shall maintain all of the British Council Equipment in good and serviceable condition (fair wear and tear excepted) and shall only use the British Council Equipment in accordance with the British Council Equipment manufacturers' recommendations.
- 9.4 The Supplier shall be liable for any loss of or damage to any of the British Council Equipment caused by the negligence or default of the Supplier.
- 9.5 The Supplier shall not in any circumstances have any right to refuse to return to the British Council any of the British Council Equipment and shall take steps necessary to ensure that the title of the British Council and the British Council's right to repossess the British Council Equipment are effectively brought to the attention of any third party dealing with any of the British Council Equipment.

10 Intellectual Property Rights

- 10.1 Subject to clause 12, each party shall give full disclosure to the other of all Background IPR owned by it which is relevant to the Project (and the Supplier shall give the British Council full disclosure of any Third Party IPR it intends to use).
- 10.2 All Background IPR and Third Party IPR is and shall remain the exclusive property of the party owning it.
- 10.3 Each party warrants to the other party that its Background IPR does not, so far as it is aware, infringe the rights of any third party and none of its Background IPR is the subject of any actual or, so far as it is aware, threatened challenge, opposition or revocation proceedings.

- 10.7 The Supplier hereby grants to the British Council an irrevocable, royalty-free, non-exclusive, worldwide right and licence to use the Supplier's Background IPR included in the Deliverables.

- 10.8 The Supplier is responsible for obtaining any licences, permissions or consents in connection with any Third Party IPR required by the Supplier and the British Council for use of the Deliverables (such licences, permissions or consents to be in writing, copies of which the Supplier shall provide to the British Council on request). In addition, the Supplier warrants that the provision of the Services, the Deliverables and/or the Goods does not and will not infringe any third party's Intellectual Property Rights.
- 10.9 The Supplier warrants that it has in place contractual arrangements with all members of the Supplier's Team assigning to the Supplier their Intellectual Property Rights and waiving their moral rights (if any) in the Deliverables such that the Supplier can enter into the assignments, licences and waivers set out in this clause 10.
- 10.10 The Supplier undertakes at the British Council's request and expense to execute all deeds and documents which may reasonably be required to give effect to this clause 10.
- 10.11 Nothing in this Agreement shall prevent the Supplier from using any techniques, ideas or know-how gained during the performance of this Agreement in the course of its normal business, to the extent that it does not result in a disclosure of the British Council's Confidential Information or an infringement of Intellectual Property Rights.
- 10.12 Each party shall promptly give written notice to the other party of any actual, threatened or suspected infringement of the Project IPR or the other party's Background IPR of which it becomes aware.

11 Limitation of Liability

- 11.1 Nothing in this Agreement shall exclude or restrict the liability of either party to the other for death or personal injury resulting from negligence or for fraudulent misrepresentation or in any other circumstances where liability may not be limited under any applicable law.
- 11.2 Subject to clauses 11.1 and 11.3, neither party shall be liable to the other whether in contract, tort, negligence, breach of statutory duty or otherwise for any indirect loss or damage, multiplication of compensatory damages, punitive or exemplary damages, fines, penalties, fees costs or expenses whatsoever or howsoever arising out of or in connection with this Agreement.

the twelve (12) month period immediately preceding the event which gives rise to the relevant claim or series of linked claims.

- 11.6 The Supplier shall indemnify the British Council from and against all loss or liability in connection with physical damage to property, death or personal injury caused by or arising out of the negligence of, or breach of this Agreement by, the Supplier or any member of the Supplier's Team.

13 Termination

- 13.1 Without prejudice to any other rights or remedies which the British Council may have, the British Council may terminate this Agreement without liability to the Supplier immediately on giving notice to the Supplier if:

- 13.3 The British Council shall be entitled to terminate this Agreement at any time with immediate effect (or with effect from such time as the British Council specifies in its notice of termination) by serving written notice on the Supplier if:

Until they have been returned or repossessed, the Supplier shall be solely responsible for their safe keeping.
- 13.8 During the period between service of a notice of termination and the effective date of termination, the Supplier shall provide the British Council with all reasonable assistance and information to enable an efficient handover to a new service provider (or to the British Council).
- 13.9 Termination of this Agreement, however it arises, shall not affect or prejudice the accrued rights of the parties as at termination or the continuation of any provision expressly stated to survive, or implicitly surviving, termination.
- 13.10 The British Council shall pay the Charges up to the effective date of termination. In addition, if the Agreement is terminated by the British Council pursuant to clause 1.3 of the Special Terms (Schedule 1) or by the Supplier pursuant to clause 13.2 above, the British Council shall reimburse the Supplier for the reasonable costs or expenses that the Supplier can demonstrate that it has properly incurred specifically for the purposes of the Project and which it cannot recover or which it cannot utilise in connection with another British Council project provided that the Supplier shall use its reasonable endeavours to mitigate the level of such costs and expenses.

14 Sub-Contracting

- 14.1 The Supplier may not sub-contract the provision of any material part of the Services without the prior written consent of the British Council, such consent not to be unreasonably withheld or delayed.

- 14.5 The British Council reserves the right to request the replacement of any approved sub-contractor on reasonable grounds.

15 Anti-Corruption, Anti-Collusion and Tax Evasion

- 15.1 The Supplier undertakes and warrants that it has not offered, given or agreed to give (and that it will not offer, give or agree to give) to any person any gift or consideration of any kind as an inducement or reward for doing or forbearing to do anything in relation to the obtaining of this Agreement or the performance by the Supplier of its obligations under this Agreement.
- 15.2 The Supplier warrants that it, and any Relevant Person, has and will retain in place, and undertakes that it, and any Relevant Person, will at all times comply with, policies and procedures to avoid the risk of bribery (as set out in the Bribery Act 2010), tax evasion (as set out in the Criminal Finances Act 2017) and fraud within its organisation and in connection with its dealings with other parties, whether in the UK or overseas.

- (ii) a foreign tax evasion facilitation offence under section 46 of the Criminal Finances Act 2017.

Nothing under this clause 15.3 is intended to prevent the Supplier from discussing the terms of this Agreement and the Supplier's pricing with the Supplier's professional advisors.

- 15.4 The Supplier acknowledges and agrees that British Council may, at any point during the Term and on any number of occasions, carry out searches of relevant third party screening databases (each a "Screening Database") to ensure that neither the Supplier, the Supplier's Team nor any of the Supplier's Team's directors or shareholders (where applicable), is or have been listed:

- 15.7.1 terminate this Agreement without liability to the Supplier immediately on giving notice to the Supplier; and/or
- 15.7.2 require the Supplier to take any steps the British Council reasonably considers necessary to manage the risk to the British Council of contracting with the Supplier (and the Supplier shall take all such steps and shall provide evidence of its compliance if required); and/or

- 15.7.3 reduce, withhold or claim a repayment (in full or in part) of the charges payable under this Agreement; and/or
- 15.7.4 share such information with third parties.
- 15.8 The Supplier shall provide the British Council with all information reasonably requested by the British Council to complete the screening searches described in clause 15.4.
- 15.9 Without limitation to clauses 15.1, 15.2, 15.3, 15.4, 15.5, 15.6, 15.7 and 15.8 above, the Supplier shall:

1.2 Part 2 Mandatory Clauses

Entering into this Addendum

- Each Party agrees to be bound by the terms and conditions set out in this Addendum, in exchange for the other Party also agreeing to be bound by this Addendum.
- Although Annex 1A and Clause 7 of the Approved EU SCCs require signature by the Parties, for the purpose of making Restricted Transfers, the Parties may enter into this Addendum in any way that makes them legally binding on the Parties and allows data subjects to enforce their rights as set out in this Addendum. Entering into this Addendum will have the same effect as signing the Approved EU SCCs and any part of the Approved EU SCCs.

Interpretation of this Addendum

- Where this Addendum uses terms that are defined in the Approved EU SCCs those terms shall have the same meaning as in the Approved EU SCCs. In addition, the following terms have the following meanings:

Addendum	This International Data Transfer Addendum which is made up of this Addendum incorporating the Addendum EU SCCs.
Addendum EU SCCs	The version(s) of the Approved EU SCCs which this Addendum is appended to, as set out in Table 2, including the Appendix Information.
Appendix Information	As set out in Table 3.
Appropriate Safeguards	The standard of protection over the personal data and of data subjects' rights, which is required by UK Data Protection Laws when you are making a Restricted Transfer relying on standard data protection clauses under Article 46(2)(d) UK GDPR.
Approved Addendum	The template Addendum issued by the ICO and laid before Parliament in accordance with s119A of the Data Protection Act 2018 on 2 February 2022, as it is revised under Section 18.
Approved EU SCCs	The Standard Contractual Clauses set out in the Annex of Commission Implementing Decision (EU) 2021/914 of 4 June 2021.
ICO	The Information Commissioner.
Restricted Transfer	A transfer which is covered by Chapter V of the UK GDPR.
UK	The United Kingdom of Great Britain and Northern Ireland.
UK Data Protection Laws	All laws relating to data protection, the processing of personal data, privacy and/or electronic communications in force from time to time in the UK, including the UK GDPR and the Data Protection Act 2018.
UK GDPR	As defined in section 3 of the Data Protection Act 2018.

4 This Addendum must always be interpreted in a manner that is consistent with UK Data Protection Laws and so that it fulfils the Parties' obligation to provide the Appropriate Safeguards.

5 If the provisions included in the Addendum EU SCCs amend the Approved SCCs in any way which is not permitted under the Approved EU SCCs or the Approved Addendum,

such amendment(s) will not be incorporated in this Addendum and the equivalent provision of the Approved EU SCCs will take their place.

- 6 If there is any inconsistency or conflict between UK Data Protection Laws and this Addendum, UK Data Protection Laws applies.
- 7 If the meaning of this Addendum is unclear or there is more than one meaning, the meaning which most closely aligns with UK Data Protection Laws applies.
- 8 Any references to legislation (or specific provisions of legislation) means that legislation (or specific provision) as it may change over time. This includes where that legislation (or specific provision) has been consolidated, re-enacted and/or replaced after this Addendum has been entered into.

Hierarchy

- 9 Although Clause 5 of the Approved EU SCCs sets out that the Approved EU SCCs prevail over all related agreements between the parties, the parties agree that, for Restricted Transfers, the hierarchy in Section 10 will prevail.
- 10 Where there is any inconsistency or conflict between the Approved Addendum and the Addendum EU SCCs (as applicable), the Approved Addendum overrides the Addendum EU SCCs, except where (and in so far as) the inconsistent or conflicting terms of the Addendum EU SCCs provides greater protection for data subjects, in which case those terms will override the Approved Addendum.
- 11 Where this Addendum incorporates Addendum EU SCCs which have been entered into to protect transfers subject to the General Data Protection Regulation (EU) 2016/679 then the Parties acknowledge that nothing in this Addendum impacts those Addendum EU SCCs.

Incorporation of and changes to the EU SCCs

- 12 This Addendum incorporates the Addendum EU SCCs which are amended to the extent necessary so that:
 - (a) together they operate for data transfers made by the data exporter to the data importer, to the extent that UK Data Protection Laws apply to the data exporter's processing when making that data transfer, and they provide Appropriate Safeguards for those data transfers;
 - (b) Sections 9 to 11 override Clause 5 (Hierarchy) of the Addendum EU SCCs; and
 - (c) this Addendum (including the Addendum EU SCCs incorporated into it) is (1) governed by the laws of England and Wales and (2) any dispute arising from it is resolved by the courts of England and Wales, in each case unless the laws and/or courts of Scotland or Northern Ireland have been expressly selected by the Parties.
- 13 Unless the Parties have agreed alternative amendments which meet the requirements of Section 12, the provisions of Section 15 will apply.
- 14 No amendments to the Approved EU SCCs other than to meet the requirements of Section 12 may be made.

15 The following amendments to the Addendum EU SCCs (for the purpose of Section 12) are made:

- (a) References to the “Clauses” means this Addendum, incorporating the Addendum EU SCCs;
- (b) In Clause 2, delete the words:
“and, with respect to data transfers from controllers to processors and/or processors to processors, standard contractual clauses pursuant to Article 28(7) of Regulation (EU) 2016/679”;
- (c) Clause 6 (Description of the transfer(s)) is replaced with:
“The details of the transfers(s) and in particular the categories of personal data that are transferred and the purpose(s) for which they are transferred) are those specified in Annex I.B where UK Data Protection Laws apply to the data exporter’s processing when making that transfer.”;
- (d) Not applicable;
- (e) Clause 8.8(i) of Modules 2 and 3 is replaced with:
- (f) “the onward transfer is to a country benefitting from adequacy regulations pursuant to Section 17A of the UK GDPR that covers the onward transfer;”
- (g) References to “Regulation (EU) 2016/679”, “Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (General Data Protection Regulation)” and “that Regulation” are all replaced by “UK Data Protection Laws”. References to specific Article(s) of “Regulation (EU) 2016/679” are replaced with the equivalent Article or Section of UK Data Protection Laws;
- (h) References to Regulation (EU) 2018/1725 are removed;
- (i) References to the “European Union”, “Union”, “EU”, “EU Member State”, “Member State” and “EU or Member State” are all replaced with the “UK”;
- (j) Not applicable;
- (k) Clause 13(a) and Part C of Annex I are not used;
- (l) The “competent supervisory authority” and “supervisory authority” are both replaced with the “Information Commissioner”;
- (m) In Clause 16(e), subsection (i) is replaced with:
“the Secretary of State makes regulations pursuant to Section 17A of the Data Protection Act 2018 that cover the transfer of personal data to which these clauses apply;”;
- (n) Clause 17 is replaced with:
“These Clauses are governed by the laws of England and Wales.”;

- (o) Clause 18 is replaced with:

“Any dispute arising from these Clauses shall be resolved by the courts of England and Wales. A data subject may also bring legal proceedings against the data exporter and/or data importer before the courts of any country in the UK. The Parties agree to submit themselves to the jurisdiction of such courts.”; and
- (p) The footnotes to the Approved EU SCCs do not form part of the Addendum, except for footnote 2.

Amendments to this Addendum

- 16 The Parties may agree to change Clause 17 and/or Clause 18 of the Addendum EU SCCs to refer to the laws and/or courts of Scotland or Northern Ireland.
- 17 If the Parties wish to change the format of the information included in Part 1: Tables of the Approved Addendum, they may do so by agreeing to the change in writing, provided that the change does not reduce the Appropriate Safeguards.
- 18 From time to time, the ICO may issue a revised Approved Addendum which:
 - (a) makes reasonable and proportionate changes to the Approved Addendum, including correcting errors in the Approved Addendum; and/or
 - (b) reflects changes to UK Data Protection Laws;

The revised Approved Addendum will specify the start date from which the changes to the Approved Addendum are effective and whether the Parties need to review this Addendum including the Appendix Information. This Addendum is automatically amended as set out in the revised Approved Addendum from the start date specified.
- 19 If the ICO issues a revised Approved Addendum under Section 18, if any Party selected in Table 4 “Ending the Addendum when the Approved Addendum changes”, will as a direct result of the changes in the Approved Addendum have a substantial, disproportionate and demonstrable increase in:
 - (a) its direct costs of performing its obligations under the Addendum; and/or
 - (b) its risk under the Addendum,

and in either case it has first taken reasonable steps to reduce those costs or risks so that it is not substantial and disproportionate, then that Party may end this Addendum at the end of a reasonable notice period, by providing written notice for that period to the other Party before the start date of the revised Approved Addendum.
- 20 The Parties do not need the consent of any third party to make changes to this Addendum, but any changes must be made in accordance with its terms.

Alternative Part 2 Mandatory Clauses:

Mandatory Clauses	Part 2: Mandatory Clauses of the Approved Addendum, being the template Addendum B.1.0 issued by the ICO and laid before Parliament in accordance with s119A of the Data Protection Act 2018 on 2 February 2022, as it is revised under Section 18 of those Mandatory Clauses.

This does not prevent the Parties from including the standard contractual clauses laid down in these Clauses in a wider contract and/or to add other clauses or additional safeguards, provided that they do not contradict, directly or indirectly, these Clauses or prejudice the fundamental rights or freedoms of data subjects.
- (b) These Clauses are without prejudice to obligations to which the data exporter is subject by virtue of Regulation (EU) 2016/679.

Clause 3

Clause 4

Interpretation

- (a) Where these Clauses use terms that are defined in Regulation (EU) 2016/679, those terms shall have the same meaning as in that Regulation.
- (b) These Clauses shall be read and interpreted in the light of the provisions of Regulation (EU) 2016/679.
- (c) These Clauses shall not be interpreted in a way that conflicts with rights and obligations provided for in Regulation (EU) 2016/679.

Clause 6

Description of the transfer(s)

The details of the transfer(s), and in particular the categories of personal data that are transferred and the purpose(s) for which they are transferred, are specified in ANNEX I.B.

Clause 7 - Optional

Docking clause

- (a) An entity that is not a Party to these Clauses may, with the agreement of the Parties, accede to these Clauses at any time, either as a data exporter or as a data importer, by completing the Appendix and signing ANNEX I.A.
- (b) Once it has completed the Appendix and signed ANNEX I.A, the acceding entity shall become a Party to these Clauses and have the rights and obligations of a data exporter or data importer in accordance with its designation in ANNEX I.A.
- (c) The acceding entity shall have no rights or obligations arising under these Clauses from the period prior to becoming a Party.

SECTION II– OBLIGATIONS OF THE PARTIES

Clause 8

Data protection safeguards

The data exporter warrants that it has used reasonable efforts to determine that the data importer is able, through the implementation of appropriate technical and organisational measures, to satisfy its obligations under these Clauses.

8.1 Instructions

- (a) The data importer shall process the personal data only on documented instructions from the data exporter. The data exporter may give such instructions throughout the duration of the contract.
- (b) The data importer shall immediately inform the data exporter if it is unable to follow those instructions.

8.2 Purpose limitation

The data importer shall process the personal data only for the specific purpose(s) of the transfer, as set out in ANNEX I.B, unless on further instructions from the data exporter.

8.3 Transparency

On request, the data exporter shall make a copy of these Clauses, including the Appendix as completed by the Parties, available to the data subject free of charge. To the extent necessary to protect business secrets or other confidential information, including the measures described in Annex II and personal data, the data exporter may redact part of the text of the Appendix to these Clauses prior to sharing a copy, but shall provide a meaningful summary where the data subject would otherwise not be able to understand the its content or exercise his/her rights. On request, the Parties shall provide the data subject with the reasons for the redactions, to the extent possible without revealing the redacted information. This Clause is without prejudice to the obligations of the data exporter under Articles 13 and 14 of Regulation (EU) 2016/679.

8.4 Accuracy

If the data importer becomes aware that the personal data it has received is inaccurate, or has become outdated, it shall inform the data exporter without undue delay. In this case, the data importer shall cooperate with the data exporter to erase or rectify the data.

8.5 Duration of processing and erasure or return of data

Processing by the data importer shall only take place for the duration specified in ANNEX I.B. After the end of the provision of the processing services, the data importer shall, at the choice of the data exporter, delete all personal data processed on behalf of the data exporter and certify to the data exporter that it has done so, or return to the data exporter all personal data processed on its behalf and delete existing copies. Until the data is deleted or returned, the data importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the data importer that prohibit return or deletion of the personal data, the data importer warrants that it will continue to ensure compliance with these Clauses and will only process it to the extent and for as long as required under that local law. This is without prejudice to Clause 14, in particular the requirement for the data importer under Clause 14(e) to notify the data exporter throughout the duration of the contract if it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under Clause 14(a).

8.6 Security of processing

- (a) The data importer and, during transmission, also the data exporter shall implement appropriate technical and organisational measures to ensure the security of the data, including protection against a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorised disclosure or access to that data (hereinafter “**personal data breach**”). In assessing the appropriate level of security, the Parties shall take due account of the state of the art, the costs of implementation, the nature, scope, context and purpose(s) of processing and the risks involved in the processing for the data subjects. The Parties shall in particular consider having recourse to encryption or pseudonymisation, including during transmission, where the purpose of processing can be fulfilled in that manner. In case of pseudonymisation, the additional information for attributing the personal data to a specific data subject shall, where possible, remain under the exclusive control of the data exporter. In complying with its obligations under this paragraph, the data importer shall at least implement the technical and organisational measures specified in Annex II. The data importer shall carry out regular checks to ensure that these measures continue to provide an appropriate level of security.
- (b) The data importer shall grant access to the personal data to members of its personnel only to the extent strictly necessary for the implementation, management and monitoring of the contract. It shall ensure that persons authorised to process the personal data have committed themselves to confidentiality or are under an appropriate statutory obligation of confidentiality.
- (c) In the event of a personal data breach concerning personal data processed by the data importer under these Clauses, the data importer shall take appropriate measures to address the breach, including measures to mitigate its adverse effects. The data importer shall also notify the data exporter without undue delay after having become aware of the breach. Such notification shall contain the details of a contact point where more

information can be obtained, a description of the nature of the breach (including, where possible, categories and approximate number of data subjects and personal data records concerned), its likely consequences and the measures taken or proposed to address the breach including, where appropriate, measures to mitigate its possible adverse effects. Where, and in so far as, it is not possible to provide all information at the same time, the initial notification shall contain the information then available and further information shall, as it becomes available, subsequently be provided without undue delay.

- (d) The data importer shall cooperate with and assist the data exporter to enable the data exporter to comply with its obligations under Regulation (EU) 2016/679, in particular to notify the competent supervisory authority and the affected data subjects, taking into account the nature of processing and the information available to the data importer.

8.7 Sensitive data

Where the transfer involves personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, or biometric data for the purpose of uniquely identifying a natural person, data concerning health or a person's sex life or sexual orientation, or data relating to criminal convictions and offences (hereinafter "**sensitive data**"), the data importer shall apply the specific restrictions and/or additional safeguards described in ANNEX I.B.

8.8 Onward transfers

The data importer shall only disclose the personal data to a third party on documented instructions from the data exporter. In addition, the data may only be disclosed to a third party located outside the European Union⁵ (in the same country as the data importer or in another third country, hereinafter "**onward transfer**") if the third party is or agrees to be bound by these Clauses, under the appropriate Module, or if:

- (i) the onward transfer is to a country benefitting from an adequacy decision pursuant to Article 45 of Regulation (EU) 2016/679 that covers the onward transfer;
- (ii) the third party otherwise ensures appropriate safeguards pursuant to Articles 46 or 47 Regulation of (EU) 2016/679 with respect to the processing in question;
- (iii) the onward transfer is necessary for the establishment, exercise or defence of legal claims in the context of specific administrative, regulatory or judicial proceedings; or
- (iv) the onward transfer is necessary in order to protect the vital interests of the data subject or of another natural person.

Any onward transfer is subject to compliance by the data importer with all the other safeguards under these Clauses, in particular purpose limitation.

⁵ The Agreement on the European Economic Area (EEA Agreement) provides for the extension of the European Union's internal market to the three EEA States Iceland, Liechtenstein and Norway. The Union data protection legislation, including Regulation (EU) 2016/679, is covered by the EEA Agreement and has been incorporated into Annex XI thereto. Therefore, any disclosure by the data importer to a third party located in the EEA does not qualify as an onward transfer for the purpose of these Clauses.

8.9 Documentation and compliance

- (a) The data importer shall promptly and adequately deal with enquiries from the data exporter that relate to the processing under these Clauses.
- (b) The Parties shall be able to demonstrate compliance with these Clauses. In particular, the data importer shall keep appropriate documentation on the processing activities carried out on behalf of the data exporter.
- (c) The data importer shall make available to the data exporter all information necessary to demonstrate compliance with the obligations set out in these Clauses and at the data exporter's request, allow for and contribute to audits of the processing activities covered by these Clauses, at reasonable intervals or if there are indications of non-compliance. In deciding on a review or audit, the data exporter may take into account relevant certifications held by the data importer.
- (d) The data exporter may choose to conduct the audit by itself or mandate an independent auditor. Audits may include inspections at the premises or physical facilities of the data importer and shall, where appropriate, be carried out with reasonable notice.
- (e) The Parties shall make the information referred to in paragraphs (b) and (c), including the results of any audits, available to the competent supervisory authority on request.

Clause 9

Use of sub-processors

- (a) The data importer shall not sub-contract any of its processing activities performed on behalf of the data exporter under these Clauses to a sub-processor without the data exporter's prior specific written authorisation. The data importer shall submit the request for specific authorisation at least 30 days prior to the engagement of the sub-processor, together with the information necessary to enable the data exporter to decide on the authorisation. The list of sub-processors already authorised by the data exporter can be found in Annex III. The Parties shall keep Annex III up to date.
- (b) Where the data importer engages a sub-processor to carry out specific processing activities (on behalf of the data exporter), it shall do so by way of a written contract that provides for, in substance, the same data protection obligations as those binding the data importer under these Clauses, including in terms of third-party beneficiary rights for data subjects.⁶ The Parties agree that, by complying with this Clause, the data importer fulfils its obligations under Clause 8.8. The data importer shall ensure that the sub-processor complies with the obligations to which the data importer is subject pursuant to these Clauses.
- (c) The data importer shall provide, at the data exporter's request, a copy of such a sub-processor agreement and any subsequent amendments to the data exporter. To the extent necessary to protect business secrets or other confidential information, including

⁶ This requirement may be satisfied by the sub-processor acceding to these Clauses under the appropriate Module, in accordance with Clause 7.

personal data, the data importer may redact the text of the agreement prior to sharing a copy.

- (d) The data importer shall remain fully responsible to the data exporter for the performance of the sub-processor's obligations under its contract with the data importer. The data importer shall notify the data exporter of any failure by the sub-processor to fulfil its obligations under that contract.
- (e) The data importer shall agree a third-party beneficiary clause with the sub-processor whereby - in the event the data importer has factually disappeared, ceased to exist in law or has become insolvent - the data exporter shall have the right to terminate the sub-processor contract and to instruct the sub-processor to erase or return the personal data.

Clause 10

Data subject rights

- (a) The data importer shall promptly notify the data exporter of any request it has received from a data subject. It shall not respond to that request itself unless it has been authorised to do so by the data exporter.
- (b) The data importer shall assist the data exporter in fulfilling its obligations to respond to data subjects' requests for the exercise of their rights under Regulation (EU) 2016/679. In this regard, the Parties shall set out in ANNEX II the appropriate technical and organisational measures, taking into account the nature of the processing, by which the assistance shall be provided, as well as the scope and the extent of the assistance required.
- (c) In fulfilling its obligations under paragraphs (a) and (b), the data importer shall comply with the instructions from the data exporter.

Clause 11

Redress

- (a) The data importer shall inform data subjects in a transparent and easily accessible format, through individual notice or on its website, of a contact point authorised to handle complaints. It shall deal promptly with any complaints it receives from a data subject.
- (b) In case of a dispute between a data subject and one of the Parties as regards compliance with these Clauses, that Party shall use its best efforts to resolve the issue amicably in a timely fashion. The Parties shall keep each other informed about such disputes and, where appropriate, cooperate in resolving them.
- (c) Where the data subject invokes a third-party beneficiary right pursuant to Clause 3, the data importer shall accept the decision of the data subject to:
 - (i) lodge a complaint with the supervisory authority in the Member State of his/her habitual residence or place of work, or the competent supervisory authority pursuant to Clause 13;
 - (ii) refer the dispute to the competent courts within the meaning of Clause 18.

- (d) The Parties accept that the data subject may be represented by a not-for-profit body, organisation or association under the conditions set out in Article 80(1) of Regulation (EU) 2016/679.
- (e) The data importer shall abide by a decision that is binding under the applicable EU or Member State law.
- (f) The data importer agrees that the choice made by the data subject will not prejudice his/her substantive and procedural rights to seek remedies in accordance with applicable laws.

Clause 12

Liability

- (a) Each Party shall be liable to the other Party/ies for any damages it causes the other Party/ies by any breach of these Clauses.
- (b) The data importer shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the data importer or its sub-processor causes the data subject by breaching the third-party beneficiary rights under these Clauses.
- (c) Notwithstanding paragraph (b), the data exporter shall be liable to the data subject, and the data subject shall be entitled to receive compensation, for any material or non-material damages the data exporter or the data importer (or its sub-processor) causes the data subject by breaching the third-party beneficiary rights under these Clauses. This is without prejudice to the liability of the data exporter and, where the data exporter is a processor acting on behalf of a controller, to the liability of the controller under Regulation (EU) 2016/679 or Regulation (EU) 2018/1725, as applicable.
- (d) The Parties agree that if the data exporter is held liable under paragraph (c) for damages caused by the data importer (or its sub-processor), it shall be entitled to claim back from the data importer that part of the compensation corresponding to the data importer's responsibility for the damage.
- (e) Where more than one Party is responsible for any damage caused to the data subject as a result of a breach of these Clauses, all responsible Parties shall be jointly and severally liable and the data subject is entitled to bring an action in court against any of these Parties.
- (f) The Parties agree that if one Party is held liable under paragraph (e), it shall be entitled to claim back from the other Party/ies that part of the compensation corresponding to its / their responsibility for the damage.
- (g) The data importer may not invoke the conduct of a sub-processor to avoid its own liability.

Clause 13

Supervision

- (a) The supervisory authority of one of the Member States in which the data subjects whose personal data is transferred under these Clauses in relation to the offering of goods or

services to them, or whose behaviour is monitored, are located, as indicated in ANNEX I.C, shall act as competent supervisory authority.

- (b) The data importer agrees to submit itself to the jurisdiction of and cooperate with the competent supervisory authority in any procedures aimed at ensuring compliance with these Clauses. In particular, the data importer agrees to respond to enquiries, submit to audits and comply with the measures adopted by the supervisory authority, including remedial and compensatory measures. It shall provide the supervisory authority with written confirmation that the necessary actions have been taken.

**SECTION III– LOCAL LAWS AND OBLIGATIONS IN CASE OF ACCESS BY PUBLIC
AUTHORITIES**

Clause 14

Local laws and practices affecting compliance with the Clauses

- (a) The Parties warrant that they have no reason to believe that the laws and practices in the third country of destination applicable to the processing of the personal data by the data importer, including any requirements to disclose personal data or measures authorising access by public authorities, prevent the data importer from fulfilling its obligations under these Clauses. This is based on the understanding that laws and practices that respect the essence of the fundamental rights and freedoms and do not exceed what is necessary and proportionate in a democratic society to safeguard one of the objectives listed in Article 23(1) of Regulation (EU) 2016/679, are not in contradiction with these Clauses.
- (b) The Parties declare that in providing the warranty in paragraph (a), they have taken due account in particular of the following elements:
 - (i) the specific circumstances of the transfer, including the length of the processing chain, the number of actors involved and the transmission channels used; intended onward transfers; the type of recipient; the purpose of processing; the categories and format of the transferred personal data; the economic sector in which the transfer occurs; the storage location of the data transferred;
 - (ii) the laws and practices of the third country of destination– including those requiring the disclosure of data to public authorities or authorising access by such authorities – relevant in light of the specific circumstances of the transfer, and the applicable limitations and safeguards⁷;
 - (iii) any relevant contractual, technical or organisational safeguards put in place to supplement the safeguards under these Clauses, including measures applied during transmission and to the processing of the personal data in the country of destination.
- (c) The data importer warrants that, in carrying out the assessment under paragraph (b), it has made its best efforts to provide the data exporter with relevant information and agrees that it will continue to cooperate with the data exporter in ensuring compliance with these Clauses.

⁷ As regards the impact of such laws and practices on compliance with these Clauses, different elements may be considered as part of an overall assessment. Such elements may include relevant and documented practical experience with prior instances of requests for disclosure from public authorities, or the absence of such requests, covering a sufficiently representative time-frame. This refers in particular to internal records or other documentation, drawn up on a continuous basis in accordance with due diligence and certified at senior management level, provided that this information can be lawfully shared with third parties. Where this practical experience is relied upon to conclude that the data importer will not be prevented from complying with these Clauses, it needs to be supported by other relevant, objective elements, and it is for the Parties to consider carefully whether these elements together carry sufficient weight, in terms of their reliability and representativeness, to support this conclusion. In particular, the Parties have to take into account whether their practical experience is corroborated and not contradicted by publicly available or otherwise accessible, reliable information on the existence or absence of requests within the same sector and/or the application of the law in practice, such as case law and reports by independent oversight bodies.

- (d) The Parties agree to document the assessment under paragraph (b) and make it available to the competent supervisory authority on request.
- (e) The data importer agrees to notify the data exporter promptly if, after having agreed to these Clauses and for the duration of the contract, it has reason to believe that it is or has become subject to laws or practices not in line with the requirements under paragraph (a), including following a change in the laws of the third country or a measure (such as a disclosure request) indicating an application of such laws in practice that is not in line with the requirements in paragraph (a).
- (f) Following a notification pursuant to paragraph (f), or if the data exporter otherwise has reason to believe that the data importer can no longer fulfil its obligations under these Clauses, the data exporter shall promptly identify appropriate measures (e.g. technical or organisational measures to ensure security and confidentiality) to be adopted by the data exporter and/or data importer to address the situation. The data exporter shall suspend the data transfer if it considers that no appropriate safeguards for such transfer can be ensured, or if instructed by the competent supervisory authority to do so. In this case, the data exporter shall be entitled to terminate the contract, insofar as it concerns the processing of personal data under these Clauses. If the contract involves more than two Parties, the data exporter may exercise this right to termination only with respect to the relevant Party, unless the Parties have agreed otherwise. Where the contract is terminated pursuant to this Clause, Clause 16(d) and (e) shall apply.

Clause 15

Obligations of the data importer in case of access by public authorities

15.1 Notification

- (a) The data importer agrees to notify the data exporter and, where possible, the data subject promptly (if necessary with the help of the data exporter) if it:
 - (i) receives a legally binding request from a public authority, including judicial authorities, under the laws of the country of destination for the disclosure of personal data transferred pursuant to these Clauses; such notification shall include information about the personal data requested, the requesting authority, the legal basis for the request and the response provided; or
 - (ii) becomes aware of any direct access by public authorities to personal data transferred pursuant to these Clauses in accordance with the laws of the country of destination; such notification shall include all information available to the importer.
- (b) If the data importer is prohibited from notifying the data exporter and/or the data subject under the laws of the country of destination, the data importer agrees to use its best efforts to obtain a waiver of the prohibition, with a view to communicating as much information as possible, as soon as possible. The data importer agrees to document its best efforts in order to be able to demonstrate them on request of the data exporter.
- (c) Where permissible under the laws of the country of destination, the data importer agrees to provide the data exporter, at regular intervals for the duration of the contract, with as

much relevant information as possible on the requests received (in particular, number of requests, type of data requested, requesting authority/ies, whether requests have been challenged and the outcome of such challenges, etc.).

- (d) The data importer agrees to preserve the information pursuant to paragraphs (a) to (c) for the duration of the contract and make it available to the competent supervisory authority on request.
- (e) Paragraphs (a) to (c) are without prejudice to the obligation of the data importer pursuant to Clause 14(e) and Clause 16 to inform the data exporter promptly where it is unable to comply with these Clauses.

15.2 Review of legality and data minimisation

- (a) The data importer agrees to review the legality of the request for disclosure, in particular whether it remains within the powers granted to the requesting public authority, and to challenge the request if, after careful assessment, it concludes that there are reasonable grounds to consider that the request is unlawful under the laws of the country of destination, applicable obligations under international law and principles of international comity. The data importer shall, under the same conditions, pursue possibilities of appeal. When challenging a request, the data importer shall seek interim measures with a view to suspending the effects of the request until the competent judicial authority has decided on its merits. It shall not disclose the personal data requested until required to do so under the applicable procedural rules. These requirements are without prejudice to the obligations of the data importer under Clause 14(e).
- (b) The data importer agrees to document its legal assessment and any challenge to the request for disclosure and, to the extent permissible under the laws of the country of destination, make the documentation available to the data exporter. It shall also make it available to the competent supervisory authority on request.
- (c) The data importer agrees to provide the minimum amount of information permissible when responding to a request for disclosure, based on a reasonable interpretation of the request.

SECTION IV– FINAL PROVISIONS

Clause 16

Non-compliance with the Clauses and termination

- (a) The data importer shall promptly inform the data exporter if it is unable to comply with these Clauses, for whatever reason.
- (b) In the event that the data importer is in breach of these Clauses or unable to comply with these Clauses, the data exporter shall suspend the transfer of personal data to the data importer until compliance is again ensured or the contract is terminated. This is without prejudice to Clause 14(f).
- (c) The data exporter shall be entitled to terminate the contract, insofar as it concerns the processing of personal data under these Clauses, where:

- (i) the data exporter has suspended the transfer of personal data to the data importer pursuant to paragraph (b) and compliance with these Clauses is not restored within a reasonable time and in any event within one month of suspension;
- (ii) the data importer is in substantial or persistent breach of these Clauses; or
- (iii) the data importer fails to comply with a binding decision of a competent court or supervisory authority regarding its obligations under these Clauses.

In these cases, it shall inform the competent supervisory authority of such non-compliance. Where the contract involves more than two Parties, the data exporter may exercise this right to termination only with respect to the relevant Party, unless the Parties have agreed otherwise.

- (d) Personal data that has been transferred prior to the termination of the contract pursuant to paragraph (c) shall at the choice of the data exporter immediately be returned to the data exporter or deleted in its entirety. The same shall apply to any copies of the data. The data importer shall certify the deletion of the data to the data exporter. Until the data is deleted or returned, the data importer shall continue to ensure compliance with these Clauses. In case of local laws applicable to the data importer that prohibit the return or deletion of the transferred personal data, the data importer warrants that it will continue to ensure compliance with these Clauses and will only process the data to the extent and for as long as required under that local law.
- (e) Either Party may revoke its agreement to be bound by these Clauses where (i) the European Commission adopts a decision pursuant to Article 45(3) of Regulation (EU) 2016/679 that covers the transfer of personal data to which these Clauses apply; or (ii) Regulation (EU) 2016/679 becomes part of the legal framework of the country to which the personal data is transferred. This is without prejudice to other obligations applying to the processing in question under Regulation (EU) 2016/679.

Clause 17

Governing law

These Clauses shall be governed by the law of one of the EU Member States, provided such law allows for third-party beneficiary rights. The Parties agree that this shall be the law of Ireland.

Clause 18

Choice of forum and jurisdiction

- (a) Any dispute arising from these Clauses shall be resolved by the courts of an EU Member State.
- (b) The Parties agree that those shall be the courts of Ireland.
- (c) A data subject may also bring legal proceedings against the data exporter and/or data importer before the courts of the Member State in which he/she has his/her habitual residence.
- (d) The Parties agree to submit themselves to the jurisdiction of such courts.

APPENDIX

EXPLANATORY NOTE:

It must be possible to clearly distinguish the information applicable to each transfer or category of transfers and, in this regard, to determine the respective role(s) of the Parties as data exporter(s) and/or data importer(s). This does not necessarily require completing and signing separate appendices for each transfer/category of transfers and/or contractual relationship, where this transparency can be achieved through one appendix. However, where necessary to ensure sufficient clarity, separate appendices should be used.
