

NOVEMBER 2025 Session Guide

Dear Candidates,

An enquiry about results (EAR) is a review of the marking of a candidate's examination script(s) or re-moderation of a centre's coursework.

Cambridge carries out extensive quality checks before it releases results. However, they offer a range of enquiry about result services, if you would like them to check the results for candidates. This guide will provide step-by-step advice to help you submit an EAR request.

Cambridge offers a few EAR services for subjects, and there are fees applicable per component against each service. The details of services offered are shared below:

Enquiry About Result Services:

Service name	Details of service	Availability of service
Clerical re-check: Service 1	This service checks that all parts of the script were marked, and that the marks were totalled and recorded correctly.	Available for components we have assessed.
Clerical re-check with copy of script: Service 1S	The same as 'Service 1' but you also receive a copy of the script.	Available for components we have assessed. Not available for Art & Design syllabuses.
Review of marking: Service 2	A review of the original marking to check that the mark scheme was applied correctly. Also includes the re-checks in Service 1.	Available for components we have assessed. Not available for multiple-choice question papers.
Review of marking with copy of script: Service 2S	The same as 'Service 2' but you also receive a copy of the script.	Available for components we have assessed. Not available for multiple-choice question papers or Art & Design syllabuses.

Enquiry About Results Guide:

Candidates can submit enquiries about results through the [School Registration System](#), the platform where you registered for your exams. **Cambridge Post Result Services (PRS) guide for making an enquiry about results (EAR) is provided on our [website](#) for your reference.**

For clerical re-check or review of marking services, you may only select one type of review or re-check service. For example, you cannot ask for a Service 1S for one component and then a Service 2S for another component if they are in the same syllabus. You cannot ask for the same or another service for the same syllabus for the same candidate if a previous request has already been submitted.

Cambridge will charge a fee for each enquiry. Cambridge will not charge the fee if the enquiry leads to a change in the syllabus grade.

Fee details are mentioned below, it will give the details for the fee submitted against each service. Please note that the fee is to be submitted per component.

- “No Result” and “Pending” Queries are **free of cost**
- Cambridge will provide an explanation of any report of ‘No result’ (X) or a ‘Pending’ grade (Q), confirming which component(s) we have no mark for
- Cambridge will explain why they cannot award a result, for example, that they did not receive documents, marks or information to confirm the candidate did or did not take a particular exam
