

Request for Proposal (RFP)

For: Production Manager 2021 (MQ71ARTS112021)

Date: 18 November 2021

1 Overview of the British Council

1.1 The British Council builds connections, understanding and trust between people in the UK and other countries through arts and culture, education and the English language. We work in two ways – directly with individuals to transform their lives, and with governments and partners to make a bigger difference for the longer term, creating benefit for millions of people all over the world. We help young people to gain the skills, confidence and connections they are looking for to realise their potential and to participate in strong and inclusive communities. We support them to learn English, to get a high-quality education and to gain internationally recognised qualifications. Our work in arts and culture stimulates creative expression and exchange and nurtures creative enterprise.

1.2 We connect the best of the UK with the world and the best of the world with the UK. These connections lead to an understanding of each other's strengths and of the challenges and values that we share. This builds trust between people in the UK and other nations which endures even when official relations may be strained.

1.3 We work on the ground in more than 100 countries. In 2019-20 we connected with 80 million people directly and with 791 million overall, including online and through our broadcasts and publications. Founded in 1934, we are a UK charity governed by Royal Charter and a UK public body. Further information can be viewed at www.britishcouncil.org.

- Unless otherwise stated as part of this RFP or its Annexes, all Proposals should be in the format of the relevant British Council requirement with your response to that requirement inserted underneath.
- Where supporting evidence is requested as 'or equivalent' you must demonstrate such equivalence as part of your Proposal.
- Any deliberate alteration of a British Council requirement as part of your Proposal will invalidate your Proposal to that requirement and for evaluation purposes you shall be deemed not to have responded to that particular requirement.

Should you not provide supplementary information or clarifications to the British Council by any deadline notified to you, your Proposal may be rejected in full and you may be disqualified from this Procurement Process.

13 Evaluation Criteria

13.1 You will have your Proposal evaluated as set out below:

Stage 1: Proposals will be checked to ensure that they have been completed correctly and all necessary information has been provided. Responses correctly completed with all relevant information being provided and all mandatory requirements as outlined in Section 8 met will proceed to Stage 2. Any Proposal not correctly completed in accordance with the requirements of this RFP and/or containing omissions may be rejected at this point. Where a Proposal is rejected at this point it will automatically be disqualified and will not be further evaluated.

Stage 2: If a bidder succeeds in passing Stages 1 of the evaluation, then it will have its Proposal evaluated in accordance with the evaluation methodology set out below.

13.2 Award Criteria – Responses from potential suppliers will be assessed to determine the most economically advantageous proposal using the following criteria and weightings and will be assessed entirely on your response submitted:

Criteria	Weighting
Social Value: <ul style="list-style-type: none"> • How your organisation has helped local communities to manage and recover from the impact of COVID-19? • How the contract will enable new businesses, new jobs and new skills to be created or will increase supply chain resilience and capacity? • How your organisation has created effective stewardship of the environment? • How your organisation has helped reduce the disability employment gap or is tackling workforce inequality? • How your organisation is improving health and wellbeing amongst staff and being involved in community integration projects? 	10%
Profile & relevance <ul style="list-style-type: none"> • Vendor profile / Background / clientele • Portfolio of previous related work 	10%
Quality <ul style="list-style-type: none"> • Production manager's capacity to meet our requirements 	15%
Methodology and Approach <ul style="list-style-type: none"> • please elaborate the methods you will use to deliver the services • delivery team profiles • delivery timelines 	15%
Commercial <ul style="list-style-type: none"> • please provide financial proposal with cost break-up and mention applicable taxes separately 	50%

13.3 Scoring Model – Proposals will be subject to an initial review at the start of Stage 2 of the evaluation process. Any Proposals not meeting mandatory requirements or constraints (if any) will be rejected in full at this point and will not be assessed or scored further. Proposals not so rejected will be scored by an evaluation panel appointed by the British Council for all criteria other than Commercial using the following scoring model:

Points	Interpretation
10	Excellent – Overall the response demonstrates that the bidder meets all areas of the requirement and provides all of the areas evidence requested in the level of detail requested. This, therefore, is a detailed excellent response that meets all aspects of the requirement leaving no ambiguity as to whether the bidder can meet the requirement.
7	Good – Overall the response demonstrates that the bidder meets all areas of the requirement and provides all of the areas of evidence requested, but contains some trivial omissions in relation to the level of detail requested in terms of either the response or the evidence. This, therefore, is a good response that meets all aspects of the requirement with only a trivial level ambiguity due the bidders failure to provide all information at the level of detail requested.
5	Adequate – Overall the response demonstrates that the bidder meets all areas of the requirement, but not all of the areas of evidence requested have been provided. This, therefore, is an adequate response, but with some limited ambiguity as to whether the bidder can meet the requirement due to the bidder’s failure to provide all of the evidence requested.
3	Poor – The response does not demonstrate that the bidder meets the requirement in one or more areas. This, therefore, is a poor response with significant ambiguity as to whether the bidder can meet the requirement due to the failure by the bidder to show that it meets one or more areas of the requirement.
0	Unacceptable – The response is non-compliant with the requirements of the RFP and/or no response has been provided.

13.4 Commercial Evaluation – Your “Overall Price” for the goods and/or services will be evaluated by the evaluation panel for the purposes of the commercial evaluation. Prices must not be subject to any pricing assumptions, qualifications or indexation not provided for explicitly by the British Council as part of the pricing approach. In the event that any prices are expressed as being subject to any pricing assumptions, qualifications or indexation not provided for by the British Council as part of the pricing approach, the British Council may reject the full tender response at this point. The British Council may also

reject any tender response where the Overall Price for the goods and/or services is considered by the British Council to be abnormally low following the relevant processes set out under the EU procurement rules. A maximum offer score of 10 will be awarded to the tender response offering the lowest “Overall Price”. Other tender responses will be awarded a mark by application of the following formula: (Lowest Overall Price/Overall Price being evaluated) x 10 (rounded to two decimal places) = commercial score.

13.5 Moderation and application of weightings – The evaluation panel appointed for this Procurement Process will meet to agree and moderate scores for each award criteria. Final scores in terms of a percentage of the overall Proposal score will be obtained by applying the relevant weighting factors set out as part of the award criteria table above. The percentage scores for each award criteria will be amalgamated to give a percentage score out of 100.

13.6 The Winning Proposal(s) - when applying the above evaluation methodology, which is also supported by any required verification evidence (to include, without limitation, any updated information)] obtained by the Authority relating to any self-certification or other requirements referred to at any time in this Procurement Process.
